MAYOR'S COMMISSION ON GROUP RELATIONS

Rm. 214-City Hall

Newark, N. J.

May 3, 1960

Dear Friend:

The two enclosures are self-explanatory and will give you an idea of the purposes and goals of Greater Newark AID.

I hope you can attend our next planning session.

The second object of this letter is to tell you that "Destiny's Tot" a provocative psychological kinescope recently presented live over NBC is available now to your organization. Syd Kellner, New Jersey Executive of the American Jewish Committee has made a print available for your use on the 8th, 9th, 10th, 15th, 16th or 17th of May. Let me know if you are having a meeting then and can use it. This is a rare opportunity.

Warmest personal wishes.

Cordially yours,

Dan Anthony
